

## TECHNICAL DATA SHEET

### Capped Co-Extrusion Corner Ending/3D Grooved/Shiplap 2.9m - Mica Ash

Profile View

#### Specifications

|                                    |                                                   |
|------------------------------------|---------------------------------------------------|
| Item Code                          | RYC019F2.9MA                                      |
| Colour                             | Mica Ash                                          |
| Finish                             | Smooth                                            |
| Material                           | Composite (Capped HDPE High Density Polyethylene) |
| Product Profile                    | Grooved                                           |
| Joist Spacing Max                  | 350mm CTC (Centre To Centre)                      |
| Boards Required Per M <sup>2</sup> | 6.3 Boards                                        |
| Expansion & Contraction Per Metre  | 1mm                                               |
| Length                             | 2900mm                                            |
| Width                              | 54mm                                              |
| Height                             | 30mm                                              |
| Weight Per Metre                   | 2.07kg                                            |
| Weight Per Board                   | 6kg                                               |
| Product Accessories                | Cladding Fastner Kit (Cladding Fastner)           |
